Dear Cruise in Company Participant,

Cruise In Company joining pack 2006.

We are delighted to hear that you wish to join us on this years Cruise in Company.

Please find enclosed the necessary documents required for participating in the event. We would be most grateful if you could complete the registration form in full and send it back to us as soon as you can. This is essential to allow us to plan efficiently and provide our mother ship with records of who is taking part.

Please make sure you take your time to carefully read through the terms and conditions before signing the declaration and completing your registration form.

We are planning a lively evening entertainment programme throughout the cruise, courtesy of local cruising clubs and associations. As we move closer to the event, last minute changes to the schedule, route or social itinerary are inevitable - we will keep you informed as things develop.

We look forward to seeing you on board.

Yours sincerely,

Stuart Gibson
