

## **Gipsy Moth IV – Frequently asked questions**

The following information has been taken from information supplied by the Gipsy Moth Project team:

- **Which leg will I be doing?**

As of the present date we do not know precisely which leg we have been allocated by the Gipsy Moth organisation. We will notify all once this has been established - edit NWW

- **How long will I be away?**

The voyage legs are between 1 and 3 weeks

- **Will there be training?**

Training will be provided for all crew members and further details will be provided with your joining instructions. In general, the training will take place at UKSA over a 2 day period, which will include a project overview, safety, and some sailing on a UKSA yacht.

- **Who will arrange transport, flights and overseas accommodation?**

The Gipsy Moth Project will arrange all flights and overseas travel and accommodation. Individual organisations will be responsible for arranging transport to and from UK airports for their crew participants.

- **What kit will I need?**

The Gipsy Moth Project will provide foul weather clothing and safety equipment. A comprehensive kit list will be included with the joining instructions. As stowage space limited on the yacht, we will be asking individuals not to bring too much personal kit.

- **What Inoculations will I require?**

The inoculations/vaccinations will depend on the part of the world in which you will be sailing. Further advice will be included with your joining instructions. You will be required to arrange your inoculations with your GP.

- **Do I need a Passport?**

Anyone sailing outside of the UK will need a current passport with at least 6 months remaining. This is required just in case you have to stay longer than planned, if you become unwell for example.

- **Do I need a Visa?**

The requirement for visas will be detailed in the joining instructions. The Gipsy Moth IV Project will arrange visas on your behalf.

- **What is the Safety Policy and have Risk Assessments been carried out?**

A comprehensive safety policy and risk assessment has been carried out by the Gipsy Moth IV Project and will be available on the website in the near future. If you have additional organisational safety requirements which must be achieved, you should contact the Gipsy Moth IV Team to discuss your requirements further.

- **What are the Insurance arrangements?**

The Gipsy Moth IV Project has full insurance and details are available on request. Individual travel health insurance will be provided by the Gipsy Moth IV Project.

- **What other information do you need from me?**

You will receive comprehensive joining instructions in due course and will be asked to provide all the information we require at the same time.

- **Will I have to pay for the voyage out of my own money?**

No, the cost of your voyage will be covered by the Gipsy Moth IV Project. Some personal spending money may be required whilst you are ashore. Further guidance will be included in the joining instructions.

- **How can I help with the fundraising?**

Every contribution is gladly received and we have seen some amazing fundraising ideas so far! If you want further information on how to help with fundraising, please do not hesitate to contact the Gipsy Moth IV Project Team.

- **How can I contact the Gipsy Moth IV Team and find out the latest information on the voyage?**

Normally your contact would be through NWW on [info@northwaleswatersports.com](mailto:info@northwaleswatersports.com)

However, you can keep up to date with the latest information by visiting [www.gipsymoth.org](http://www.gipsymoth.org)

- **How can I contact the Global Voyage Coordinator Team?**

You can contact the team:

**Global Voyage Coordinator**
